

# WELCOME 2026

2026

Welcome to 2026!

We are delighted to have you and your child as part of our learning community and look forward to another wonderful year at Ride Avenue Pre School.

Our educators are committed to providing a safe, nurturing and engaging environment where children feel confident to explore, learn and grow. Through play-based learning, we support each child's development, curiosity and sense of belonging.

# What's been happening in 3 year old kinder

What an incredible start to the year our 3YO cohort has had!

We are so incredibly proud of how well each and every one of them has adapted to being in a new environment with new people.

Our 3's are thoroughly enjoying exploring our learning environments, getting to know their teachers and peers.

# What's been happening in 3 year old kinder

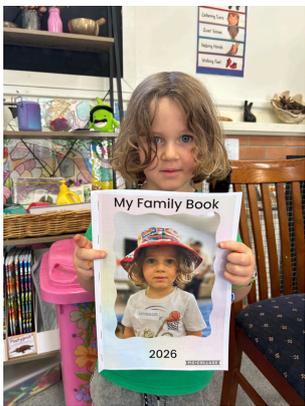

Our slow transition into kinder helps children to positively assimilate to the environment and routines of the setting.

As we head into full days if you feel your child is becoming tired or is finding the full days are too much, feel free to chat to us about your options, some families like to do earlier pick ups until their child is managing the longer day more successfully.

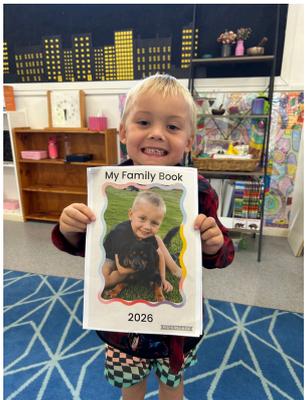

Our ultimate goal at this point in the year is to foster a love of kindergarten and an enthusiasm for learning through play.

# What's been happening in 4 year old kinder

We've had a great start to the Term with lots of activities focusing on getting to know each other, learning new routines and building new relationships.
